## Chapter 2

## **Transaction Analysis**

#### **Ethics Check**

(5-10 min.) EC 2-1

- a. Due care
- b. Due care
- c. Objectivity and independence
- d. Integrity

#### **Short Exercises**

(5 min.) S 2-1

- a. Yes
- b. Yes
- c. No (no dollars involved yet)
- d. Yes
- e. No (no dollars involved)
- f. Yes
- g. No (no dollars involved yet)
- h. Yes

(5 min.) S 2-2

- a. L
- b. A
- c. L
- d. L
- e. E
- f. E
- g. A
- h. A
- i. E
- j. A

(5 min.) S 2-3

Crater's payment was not an expense.

Crater acquired an *asset*, Equipment, because the computer is an economic resource of the business.

(5 min.) S 2-4

- a. Purchase of asset for cash
  Sale of asset for cash
  Collection of an account receivable
- b. Issuance of stock
  Revenue transaction (ex: provided services on account or for cash)
- c. Purchase of asset on account Borrow money
- d. Declaration and payment of dividends to owners

  Expense transaction (ex: received and paid utility bill)
- e. Pay a liability

  Return an asset purchased on account

(Answers may vary.)

## Harbor Marine Company Trial Balance December 31, 2018

ACCOUNT	DEBIT	CREDIT
	Mil	lions
Cash	\$ 4	
Other assets	20	
Accounts payable		\$ 6
Other liabilities		2
Stockholders' equity		5
Revenues		37
Expenses	<u> 26</u>	
Total	<u>\$50</u>	<u>\$50</u>

Harbor Marine Company's net income: \$11 million (\$37 - \$26)

(10 min.) S 2-14

(10 min.) S 2-15

1. Total debits = \$99,500 (\$140,000 + \$4,500 - \$45,000)

**Total credits = \$140,000** 

Difference = \$40,500 (\$140,000 - \$99,500);

\$40,500 / 9 = \$4,500 (an integer), which suggests either a transposition or a slide.

2. Total debits = \$194,000 (\$140,000 + \$82,000 - \$28,000)

**Total credits = \$140,000** 

Difference = \$54,000 (\$194,000 - \$140,000);

\$54,000 / 9 = \$6,000 (an integer), which suggests either a transposition or a slide.

3. Total debits = \$112,000 (\$140,000 - \$28,000)

Total credits = \$168,000 (\$140,000 + \$28,000)

Difference = \$56,000 (\$168,000 - \$112,000)

\$56,000 / 2 = \$28,000 (original amount of accounts receivable).

(15-30 min.) P 2-58A

Req. 1

#### Dear Veronica,

This trial balance lists the accounts of the company, along with their balances at December 31, 2018. The trial balance provides the data for computing total assets, total liabilities, and net income or net loss.

#### **Baker Specialties reports:**

a. Total assets = 
$$$395,000 ($13,000 + $49,000 + $5,000 + $103,000 + $225,000)$$

b. Total liabilities = 
$$$144,400 ($50,400 + $94,000)$$

Student responses may vary but should include these amounts.

on account	49,000	Dec. collections	X	= \$51,000
Dec. 31 Bal.	27,000			

#### c. Cash paid on notes payable during December:

	Notes	Pay	yable	
			Nov. 30 Bal.	15,500
X = \$20,000 <u>De</u>	Dec. note payments	X	Dec. new borrowing	28,000
			Dec. 31 Bal.	23,500

(20-30 min.) E 2-69

Req. 1

#### Jubilee, Inc. Trial Balance October 31, 2018

Caak	¢ 4400	
Cash	\$ 4,100	
Accounts receivable	7,300	
Land	31,700	
Accounts payable		\$ 6,700
Note payable		5,400
Common stock		23,900
Retained earnings		1,200
Service revenue		9,800
Salary expense	2,500	
Advertising expense	1,200	
Totals	<u>\$46,800</u>	<u>\$47,000</u>

Out of balance by \$200

The correct balance of Accounts Receivable is \$7,500\* (\$7,300 + \$200). After this correction, total debits will be \$47,000 (\$46,800 + \$200), the same as total credits.

#### Req. 2

a. Total assets = \$43,300 (\$4,100 + \$7,500\* + \$31,700)

b. Total liabilities = \$12,100 (\$6,700 + \$5,400)

c. Net income = \$6,100 (\$9,800 - \$2,500 - \$1,200)

(10-15 min.) E 2-70

Dec. 31

\$33,000 15,000\*\*

#### Req. 1

Income statement	November	December
Employee medical exp	\$48,000	\$ -0-

Cash	\$51,000	\$18,000*
Accounts payable	48,000	15,000**
Ashland Hospital:		
Income statement	November	December
Service revenue	\$48,000	\$ -0-

Nov. 30

\$ -0-

48,000

#### Req. 2

#### **Explanation:**

Marion's \$48,000 expense is Ashland's revenue of \$48,000.

Marion's \$33,000 cash payment is Ashland's cash receipt of \$33,000.

Marion's \$15,000 account payable is Ashland's account receivable of \$15,000.

Marion's \$48,000 account payable is Ashland's account receivable of \$48,000.

**Balance sheet** 

Accounts receivable.....

**<sup>\*\$51,000</sup> - \$33,000 = \$18,000** 

<sup>\*\*\$48,000</sup> **-**\$33,000 **=**\$15,000

(20 min.) E 2-71

# Blast Networks, Inc. Trial Balance Current Date

ACCOUNT	DEBIT	CREDIT
Cash	\$ 9,400	
Accounts receivable	6,800	
Supplies	1,300	
Furniture	5,400	
Accounts payable		\$ 4,400
Notes payable		6,000
Common stock		7,000
Service revenue		10,500
Salary expense	2,000	
Advertising expense	1,800	
Rent expense	1,200	
Total	<u>\$27,900</u>	<u>\$27,900</u>

### Req. 4 (net income or loss for first month of operations)

#### Revenues:

Service revenue		\$10,500
Expenses:		
Salary expense	\$2,000	
Advertising expense	1,800	
Rent expense	<u>1,200</u>	
Total expenses		<u>5,000</u>
Net income for month		\$5,500

Recommendation: Barton's criteria for remaining in operation was to earn net income of \$5,000. His actual result was just over this goal. Yes, I would recommend that he stay in business.

(20-30 min.) C2-74

# Romano Castle, Inc. Income Statement Month Ended December 31, 2018

Sales revenue	\$42,000
Expenses:	
Cost of sales (expense)	22,000
Rent expense	6,000
Advertising expense	5,000
Total expenses	33,000
Net income	<u>\$ 9,000</u>

# Romano Castle, Inc. Balance Sheet December 31, 2018

ASSETS		LIABILITIES	
Cash	\$ 12,000	Accounts payable	\$ 8,000
Food inventory	5,000	STOCKHOLDERS' EQUI	TY
Furniture	10,000	Common stock	10,000
		Retained earnings	<u>9,000</u> *
		Total stockholders' equity	19,000
		Total liabilities	
Total assets	<u>\$27,000</u>	and stockholders' equity	\$27,000

<sup>\*</sup>Must solve for this amount. It is also the amount of net income, which is the only change in retained earnings for the month.

Recommendation: Do not expand this month. The business falls short of the goals for both net income and total assets. However, Romano Castle, Inc. appears to be profitable, and assets are building toward Ferritto's goals. Maybe next month.

Ethical Issue 1 C2-75

1. The ethical issue is whether these alternatives of financing the business are proper from an economic, legal, and ethical standpoint.

2. The stakeholders are Shabby Fitch, the bank, potential new and existing creditors, and the friend who may become a stockholder. Consequences to the creditors are the inability of the company to pay interest and the loan. Consequences to the investors are the inability of the company to pay dividends and the possibility of loss of investment if the company goes bankrupt.

3.

Option 1:	Cash Common Stock	200,000	200,000
Option 2:	Land Common Stock	200,000	200,000
	Common Stock Land	200,000	200,000

Option 1 is economically sound, perfectly legal, and also ethical because the sale of the stock is a valid transaction between the business and a stockholder. The consequences of this decision are that Fitch obtains additional financing at a cost (he now shares ownership of the business with his friend). The friend gives up cash in exchange for an ownership interest in the business. The bank and future creditors obtain complete and truthful disclosure of the manner in which the business has been financed.

Option 2 represents "window dressing" (making the company look like an entity that it is not). Although it might be legal in the strictest sense of the word (and it might not), this option does not faithfully represent economic reality. Thus, it is not in accordance with GAAP, which is a substitute for the legal criterion. This option is also unethical because the receipt of the land by the business is not a real transaction. The transfer of the land back to

(continued) C2-75

Fitch means that the business never actually has the land for its use. It violates the rights of the bank and future creditors to give them information that is inaccurate and that does not faithfully represent economic reality.

4. The best option to take is definitely Option 1. The decision maker can walk away from this transaction confident that he or she told the truth.

Ethical Issue 2 C2-76

#### Part a.

1. The ethical issue is whether you should question your grade, which is higher than you expected. Your choices are (a) discuss the grade with the professor; and (b) do not discuss the grade with the professor.

- 2, 3. Stakeholders are you, the professor, the other students in the class, and the university. The possible consequences to you of discussing the grade with the professor is that it may lead to the discovery that the professor made a mistake in calculating the grade, which may lead to a downward adjustment. While this could possibly have adverse economic consequences (i.e., perhaps loss of scholarship if the grade is substantially lowered), it is unlikely that a letter-grade drop in one course would have such an impact on grade point average as to cause loss of a scholarship. There is no legal consequence to reporting a grade that is too high. The ethical consequence is generally positive on all concerned, as it leads to clarification of the true grade.
- 4. Student opinions will vary on this part.

#### Part b.

- 1. The ethical issue in this case is whether you should question your grade, which is now lower than you expected. Your choices are (a) discuss the grade with the professor; and (b) do not discuss the grade with the professor.
- 2, 3. Like part a, the stakeholders are you, the professor, the other students in the class, and the university. The possible consequences to you of discussing the grade with the professor is that it may lead to the discovery that the professor made a mistake in calculating the grade, which may lead

(continued) C2-76

to an upward adjustment. This could have positive economic consequences (i.e., perhaps keeping a scholarship). Like part a, the ethical consequence of this action is generally positive on all concerned, as it leads to clarification of the true grade.

4. Most students would probably respond "take it to the professor." But shouldn't we be just as concerned about knowing the true grade either way? The author recommends discussing the grade with the professor one way or the other.

#### Part c.

Both course grades and financial statements report results that people use in order to make decisions that can carry both positive and negative consequences. In both situations, it is important that the user receive relevant information, and that the information faithfully represent facts as they actually occurred.

The net income of \$45,687 million equals the net income reported on Apple's income statement.

# Focus on Analysis: Under Armour, Inc.

(20-30 min.)

# Req. 1

During fiscal 2016, Under Armour, Inc. had more net revenues than cash collections. This is determined by analyzing net receivables, as follows:

# Net receivables:

		(Thousands)
	Balance at the end of fiscal 2015	\$ 433,638
+	Net revenues during fiscal 2016 (from consolidated	4,825,335
	statements of income)	
-	Collections from customers during fiscal 2016	(X)
=	Balance at the end of fiscal 2016	<b>\$ 622,685</b>

Solving for X, collections were \$4,636,288 (\$433,638 + \$4,825,335 - \$622,685). Another way to express this relationship is that when accounts receivable increase during the year, revenues must exceed cash collections. If accounts receivable decrease during the year, cash collections must exceed revenues.

(continued) Under Armour, Inc.

Req. 2

Net revenues increased overall, however the percentage change is less (21.75%) in 2016, compared to the 2015 percentage change (28.50%). Net income increased overall, however the percentage change is less in 2016 (10.49%) compared to the 2015 percentage change (11.79%).

Net revenues grew (increased) faster than net income for the period examined. More factors affect net income than net revenues, so it is more likely that net income would increase at a slower rate than net revenues. In the fiscal year 2016, the company's two largest expenses increased substantially, and dragged down net income. Cost of Goods Sold increased 25.61% and Selling/General/Administrative Expenses increased 21.79%.

	2016	2015	2014
Net revenues (thousands)	\$4,825,335	\$3,963,313	\$3,084,370
\$ change	862,022	878,943	
Percentage change	21.75%	28.50%	
	(\$862,022 ÷ \$3,963,313)	(\$878,943 ÷ \$3,084,370)	
Net income (thousands)	\$256,979	\$232,573	\$208,042
\$ change	24,406	24,531	
Percentage change	10.49%	11.79%	
	(\$24,406 ÷ \$232,573)	(\$24,531 ÷ \$208,042)

**Solutions Manual** 

S2-3 (5 min.)

Dan Crater opened a software consulting firm that immediately paid \$28,000 for a computer system. Was Crater's computer system an expense of the business? If not, explain.

#### Solution:

Crater's payment was not an expense.

Crater acquired an asset, Equipment, because the computer is an economic resource of the business.

**Solutions Manual** 

# S2-4 (5 min.)

For each of the following items, give an example of a transaction that has the described effect on Dazzle's accounting equation.

	Purchase of asset for cash
a.	Sale of asset for cash
	Collection of an account receivable
b.	Issuance of stock
D.	Revenue transaction (ex: provided services on account or for cash)
C.	Purchase of asset on account
О.	Borrow money
d.	Declaration and payment of dividends to owners
u.	Expense transaction (ex: received and paid utility bill)
e.	Pay a liability
€.	Return an asset purchased on account

**Solutions Manual** 

S2-5 (5-10 min.)

# Requirements

Complete the following chart to show the impact on the accounting equation from each transaction.

	Assets		Liabilities		Stockholders' Equity	
Date	Incr.	Decr.	Incr.	Decr.	Incr.	Decr.
Jan. 2	X		X			
Jan. 4	X				X	
Jan. 10	Χ				X	
Jan. 15		Χ		X		
Jan. 18	Х				X	
Jan. 21	Χ	Χ				
Jan. 31		Χ				X

**Solutions Manual** 

S2-6 (5 min.)

- a. How much in total assets does Ford have?
- b. How much in liabilities does Ford owe?

a.	\$10,500 (\$8,000 + \$2,500 + \$7,200 - \$7,200)	
b.	\$ 2,500	

**Solutions Manual** 

# S2-7 (5-10 min.)

- 1. Set up the following T-accounts of Fourth Investments, Inc.: Cash, Computer Equipment, Accounts Payable, and Common Stock.
- 2. Record the first two transactions of the business directly in the T- accounts without using a journal.
- 3. Show that total debits equal total credits.

#### Solution:

**Regs 1, 2** 

Cash	Computer Equipment
200,000	56,000
Accounts Payable	Common Stock
Accounts Payable 56,000	Common Stock

# Req 3

Total debits = \$256,000 (\$200,000 + \$56,000)

Total credits = \$256,000 (\$56,000 + \$200,000)

**Solutions Manual** 

S2-8 (5-10 min.)

After these transactions, how much cash does the business have to work with? Use a T-account to show your answer.

Cash			
Jul. 1	26,000	5,500	
Jul. 6	8,500		
Bal.	29,000		

**Solutions Manual** 

S2-9 (10 min.)

Journalize the transactions of Donovan Freeman, Architect. Include an explanation with each journal entry.

	Journal		
DATE	ACCOUNT TITLES AND EXPLANATION	DEBIT	CREDIT
July 15	Cash Note Payable Borrowed money from the bank.	64,000	64,000
22	Accounts Receivable Service Revenue Performed service on account.	17,300	17,300
28	Cash Accounts Receivable Received cash on account.	16,000	16,000
29	Utilities Expense Cash Paid utility bill.	1,800	1,800
31	Salary Expense Cash Paid salary expense.	10,000	10,000

**Solutions Manual** 

# S2-10 (10-15 min.)

- 1. Journalize the two transactions on the books of Mary Gervais, Consultant. Include an explanation for each transaction.
- 2. Open a T-account for Accounts Payable and post to Accounts Payable. Compute the balance and denote it as Bal.
- 3. How much does the business owe after both transactions? In which account does this amount appear?

#### Solution:

# Req. 1

	Journal			
DATE	ACCOUNT TITLES AND EXPLANATION	DEBIT	CREDIT	
	Supplies	4,300		
	Accounts Payable		4,300	
	Purchased supplies on account.			
	Accounts Payable	3,450		
	Cash		3,450	
	Paid cash on account.			

#### Req. 2

Accounts Payable				
3,450 4,300				
	Bal.	850		

# Req. 3

The business owes \$850, as shown in the Accounts Payable account.

**Solutions Manual** 

# S2-11 (10-15 min.)

- 1. Record the two transactions on the books of Orman Consulting. Include an explanation for each transaction.
- 2. Post to these T-accounts: Cash, Accounts Receivable, and Service Revenue. Compute each account balance and denote it as Bal.

# Solution:

Req. 1

Journal					
DATE	DATE ACCOUNT TITLES AND EXPLANATION DEBIT CREDIT				
	Accounts Receivable	4,600			
	Service Revenue		4,600		
	Performed service on account.				
	Cash	2,100			
	Accounts Receivable		2,100		
	Received cash on account.				

# Req. 2

Cash		
	2,100	
Bal.	2,100	

Accounts Receivable			
4,600 2,100			
Bal.	2,500		

Service Revenue				
4,60				
	Bal.	4,600		

**Solutions Manual** 

S2-12 (15 - 20 min.)

Journalize the following transactions. Include dates and a brief explanation for each journal entry.

	Journal	Journal			
DATE	ACCOUNT TITLES AND EXPLANATION	DEBIT	CREDIT		
July 1	Cash Common Stock Issued stock to owner.	13,000	13,000		
5	Accounts Receivable Service Revenue Provided (sold) services on account.	8,000	8,000		
9	Office Supplies Accounts Payable Purchased supplies on account.	600	600		
10	Cash Service Revenue Provided (sold) services for cash.	3,100	3,100		
12	Cash Accounts Receivable Collected cash on account.	8,000	8,000		
24	Accounts Payable Cash Paid on account.	600	600		
25	Utilities Expense Cash Paid expenses.	450	450		
30	Office Furniture  Note Payable  Purchased furniture with note payable.	2,500	2,500		
31	Salary Expense Cash Paid payroll.	3,100	3,100		

**Solutions Manual** 

S2-13 (10 min.)

Prepare the trial balance of Harbor Marine Company at December 31, 2018. List the accounts in their proper order. How much was the company's net income or net loss?

# Solution:

Harbor Marine Company Trial Balance December 31, 2018								
ACCOUNT	DE	BIT	CR	EDIT				
		Milli	ions					
Cash	\$	4						
Other assets		20						
Accounts payable			\$	6				
Other liabilities				2				
Stockholders' equity				5				
Revenues				37				
Expenses		26						
Total	\$	50	\$	50				

Harbor Marine Company's net income: \$11 million (\$37 - \$26)

**Solutions Manual** 

S2-14 (10 min.)

Calculate these amounts for the business:

- 1. Total assets
- 2. Total liabilities
- 3. Net income or net loss during December

**Solutions Manual** 

# S2-15 (10 min.)

The purpose of this exercise is to help you learn how to correct three common accounting errors.

#### Solution:

#### Error 1.

```
Total debits = $99,500 ($140,000 + $4,500 - $45,000)

Total credits = $140,000

Difference = $40,500 ($140,000 - $99,500);

$40,500 / 9 = $4,500 (an integer), which suggests either a transposition or a slide.
```

#### Error 2.

```
Total debits = $194,000 ($140,000 + $82,000 - $28,000)

Total credits = $140,000

Difference = $54,000 ($194,000 - $140,000);

$54,000 / 9 = $6,000 (an integer), which suggests either a transposition or a slide.
```

#### Error 3.

```
Total debits = $112,000 ($140,000 - $28,000)

Total credits = $168,000 ($140,000 + $28,000)

Difference = $56,000 ($168,000 - $112,000)

$56,000 / 2 = $28,000 (original amount of accounts receivable).
```

**Solutions Manual** 

S2-16 (10 min.)

Match the accounting terms with the corresponding definition. or meaning at the right.

**Solutions Manual** 

E2-23A (10-15 min.)

#### Requirements

Prepare the journal entries that served as the sources for the seven transactions. Include an explanation for each entry. Determine the ending balance in each account. As Frontier moves into the next period, how much cash does the business have? How much does Frontier owe in total liabilities?

#### Solution:

Reg. 1

	Journal						
	ACCOUNT TITLES AND EXPLANATION	DEBIT	CREDIT				
1.	Cash Common Stock Issued common stock.	8,500	8,500				
2.	Cash Note Payable Borrowed money; signed note payable.	9,000	9,000				
3.	Supplies Accounts Payable Purchased supplies on account.	800	800				
4.	Land Cash Note Payable Purchased land by paying cash and signing a note payable.	38,000	13,000 25,000				
5.	Cash Supplies Sold supplies for cash.	45	45				
6.	Accounts Payable Cash Paid cash on account.	310	310				
7.	Equipment Cash Paid cash for equipment.	3,900	3,900				

Cash balance = \$335 (\$8,500 + \$9,000 - \$13,000 + \$45 - \$310 - \$3,900) Company owes \$34,490 (\$9,000 + \$800 + \$25,000 - \$310)

**Solutions Manual** 

E2-24A (10-20 min.)

# Requirements

- 1. Prepare the company's trial balance at April 30, 2018, listing accounts in proper sequence, as illustrated in the chapter. For example, Accounts Receivable comes before Equipment. List the expense with the largest balance first, the expense with the next largest balance second, and so on.
- 2. Prepare the financial statement for the month ended April 30, 2018, which will show the company the results of operations for the month.

Req 1.

Deluxe Patio Service, Inc. Trial Balance April 30, 2018						
ACCOUNT	DEBIT	CREDIT				
Cash	\$19,300					
Accounts receivable	5,900					
Equipment	30,600					
Accounts payable		\$4,600				
Note payable		21,500				
Common stock		16,700				
Retained earnings		6,300				
Dividends	3,300					
Service revenue		20,700				
Salary expense	8,300					
Utilities expense	2,100					
Delivery expense	300					
Total	\$ 69,800	\$ 69,800				

Req 2.

Deluxe Patio Service, Inc. Income Statement For the Month Ended April 30, 2018					
Service revenue		\$	20,700		
Salary expense	\$8,300				
Utilities expense	2,100				
Delivery expense	300				
Total expenses			10,700		
Net income			\$10,000		

**Solutions Manual** 

E2-25A (15-25 min.)

# Requirement

1. Prepare the correct trial balance at September 30, 2018, complete with a heading. Journal entries are not required.

### Solution:

Addison, Inc. Trial Balance September 30, 2018			
ACCOUNT	DEBIT	CREDIT	
Cash	\$ 14,800		
Accounts receivable	12,000		
Inventory	16,900		
Supplies	800		
Land	59,000		
Accounts payable		\$ 13,600	
Common stock		47,300	
Sales revenue		49,700	
Insurance expense	3,400		
Salary expense	2,000		
Rent expense	1,000		
Utilities expense	700		
Total	\$ 110,600	\$ 110,600	

Computations:

Cash: \$14,100 + \$700 = \$14,800

Accounts Receivable: \$12,700 - \$700 = \$12,000

Accounts Payable: \$12,300 + \$1,000 - \$100 + \$400 = \$13,600

Common Stock: \$47,100 + \$200 = \$47,300 Insurance Expense: \$0 + \$3,400 = \$3,400 Utilities Expense: \$300 + \$400 = \$700

**Solutions Manual** 

# E2-26A (15-20 min.)

- 1. Solve for Cash.
- 2. Prepare the trial balance of Old Center at September 30, 2018. List the accounts in their proper order. How much was Old Center Company's net income or net loss?

### Solution:

### Req. 1

(amounts in millions)

Cash (X) + Other assets (23) = Accounts payable (8) + Other liabilities (2) + S/E (6) + Revenues (33) – Expenses (21)

Cash (X) = 5

Req. 2

Old Center Company Trial Balance				
September 30,	, 2018			
ACCOUNT	DEBIT	CREDIT		
Cash	\$5			
Other assets 23				
Accounts payable \$8				
Other liabilities				
Stockholders' Equity 6				
Revenues		33		
Expenses 21				
Total	\$49	\$49		

Net income is \$12 (\$33 – \$21)

**Solutions Manual** 

# E2-27B (15-20 min.)

### Requirements

- 1. What criteria does an event have to meet to qualify as a financial transaction? Identify which of the listed events are financial transactions.
- 2. Journalize each of the transactions.
- 3. Indicate how the company's assets, liabilities, and equity would be impacted by each transaction.

#### Solution:

#### Reg. 1

In order to qualify as a financial transaction, there must be an event that has a financial impact on a business and can be measured reliably. Thus, the May events that do not meet these criteria include May 8 and May 18.

#### FINANCIAL ACCOUNTING - Twelfth Edition Solutions Manual

#### E2-30B (10-20 min.)

# Requirements

- 1. Analyze the effects of these events on the accounting equation of the medical practice of
- Dr. Char Morin, P.C
- 2. After completing the analysis, answer these questions about the business.
- a. How much are total assets?
- b. How much does the business expect to collect from patients?
- c. How much does the business owe in total?
- d. How much of the business's assets does Morin really own?
- e. How much net income or net loss did the business experience during its first month of operations?

#### Solution:

#### Rea. 1

Common stock		155,000		
Service revenue		9,100		
Salary expense	3,300			
Rent expense	1,400			
Utilities expense	400			
Total	<u>\$ 198,000</u>	\$ 198,000		

#### Req. 3

Total assets (\$125,350 + \$4,550 + \$1,000 + \$62,000)	\$ 192,900
Total liabilities (\$900 + \$33,000)	(33,900)
Total stockholders' equity (\$155,000 + \$4,000*)	\$ 159,000

\*Net income = \$4,000 (\$9,100 - \$3,300 - \$1,400 - \$400)

**Solutions Manual** 

E2-33B (10-15 min.)

#### Requirements

1. Prepare the journal entries that served as the sources for the seven transactions. Include an explanation for each entry. Determine the ending balance in each account. As Gallagher moves into the next period, how much cash does the business have? How much does Gallagher owe in total liabilities?

#### Solution:

Req. 1 \_\_\_\_\_\_

	Journal				
	ACCOUNT TITLES AND EXPLANATION	DEBIT	CREDIT		
1.	Cash Common Stock Issued common stock.	8,800	8,800		
2.	Cash Note Payable Borrowed money; signed note payable.	8,500	8,500		
3.	Supplies Accounts Payable Purchased supplies on account.	900	900		
4.	Land Cash Note Payable Purchased land by paying cash and signing a note payable.	34,000	11,000 23,000		
5.	Cash Supplies Sold supplies for cash.	90	90		
6.	Accounts Payable Cash Paid cash on account.	290	290		
7.	Equipment Cash Paid cash for equipment.	4,000	4,000		

Cash balance = \$2,100 (\$8,800 + \$8,500 - \$11,000 + \$90 - \$290 - \$4,000) Company owes \$32,110 (\$8,500 + \$900 + \$23,000 - \$290)

**Solutions Manual** 

E2-34B (10-20 min.)

# Requirements

- 1. Prepare the company's trial balance at April 30, 2018, listing accounts in proper sequence, as illustrated in the chapter. For example, Accounts Receivable comes before Equipment. List the expense with the largest balance first, the expense with the next largest balance second, and so on.
- 2. Prepare the financial statement for the month ended April 30, 2018, which will show the company the results of operations for the month.

Req 1.

Specialty Deck Service, Inc.						
Trial Balance						
April 30, 20	018					
ACCOUNT	ACCOUNT DEBIT CREDIT					
Cash	\$19,200					
Accounts receivable	5,300					
Equipment	30,800					
Accounts payable		\$4,300				
Note payable		21,000				
Common stock		16,200				
Retained earnings		7,800				
Dividends	3,100					
Service revenue		20,500				
Salary expense	8,400					
Utilities expense	2,300					
Delivery expense	700					
Total	\$ 69,800	\$ 69,800				

Req 2.

Specialty Deck Service, Inc. Income Statement For the Month Ended April 30, 2018			
Service revenue		\$	20,500
Salary expense	\$8,400		
Utilities expense	2,300		
Delivery expense 700			
Total expenses			11,400
Net income			\$9,100

**Solutions Manual** 

E2-35B (15-25 min.)

# Requirement

1. Prepare the corrected trial balance at September 30, 2018, complete with a heading. Journal entries are not required.

### Solution:

St. James, Inc. Trial Balance September 30, 2018				
ACCOUNT	DEBIT	CREDIT		
Cash	\$14,800			
Accounts receivable	12,900			
Inventory	17,500			
Supplies	300			
Land	55,600			
Accounts payable		\$15,700		
Common stock		48,300		
Sales revenue		46,400		
Insurance expense	5,400			
Salary expense	1,900			
Utilities expense	1,700			
Rent expense	300			
Total	\$ 110,400	\$ 110,400		

Computations:

Cash: \$14,400 + \$400 = \$14,800

Accounts Receivable: \$13,300 - \$400 = \$12,900

Accounts Payable: \$11,500 + \$4,000 - \$400 + \$600 = \$15,700

Common Stock: \$47,900 + \$400 = \$48,300 Insurance Expense: \$0 + \$5,400 = \$5,400 Utilities Expense: \$1,100 + \$600 = \$1,700

**Solutions Manual** 

# E2-36B (15-20 min.)

- 1. Solve for Cash.
- 2. Prepare the trial balance of All Towne at September 30, 2018. List the accounts in their proper order. How much was All Towne Company's net income or net loss?

### Solution:

### Req. 1

(amounts in millions)

Cash (X) + Other assets (21) = Accounts payable (5) + Other liabilities (1) + S/E (4) + Revenues (33) – Expenses (16)

Cash (X) = 6

### Req. 2

All Towne Company Trial Balance September 31, 2018			
ACCOUNT DEBIT CREDIT			
Cash	\$6		
Other assets	21		
Accounts payable		\$5	
Other liabilities		1	
Stockholders' Equity		4	
Revenues		33	
Expenses	16		
Total	\$43	\$43	

Net income is \$17 (\$33 – \$16)

**Solutions Manual** 

# Serial Exercise (20-30 min.)

### Requirements

- 1. Journalize the transactions for Olivia Matthews, Certified Public Accountant. Explanations are not required.
- 2. Post to the T-accounts. Key all items by date and determine the ending balance in each account. Denote an account balance on May 18, 2018, as Bal.
- 3. Prepare a trial balance at May 18, 2018. In the Serial Exercise of Chapter
- 3, we add transactions for the remainder of May and will require a trial balance at May 31.

#### Solution:

-	Journal

### Requirement

1. Write a short note to answer Veronica's questions. In your note, state the amounts of Baker's total assets, total liabilities, and net income or net loss for the year. Also show how you computed each amount.

### Solution:

#### Dear Veronica,

This trial balance lists the accounts of the company, along with their balances at December 31, 2018. The trial balance provides the data for computing total assets, total liabilities, and net income or net loss.

### Baker Specialties reports:

- a. Total assets = \$395,000 (\$13,000 + \$49,000 + \$5,000 + \$103,000 + \$225,000)
- b. Total liabilities = \$144,400 (\$50,400 + \$94,000)
- c. Net income = \$31,000 (\$160,000 \$55,000 \$3,000 \$64,000 \$7,000)

**Solutions Manual** 

P2-59A (45-60 min.)

### Requirements

- 1. Analyze the effects of the preceding transactions on the accounting equation of Grueser Computing, Inc.
- 2. Prepare the income statement of Grueser Computing, Inc., for the month ended October 31, 2018. List expenses in decreasing order by amount.
- 3. Prepare the entity's statement of retained earnings for the month ended October 31, 2018.
- 4. Prepare the balance sheet of Grueser Computing, Inc., at October 31, 2018.

Req. 1

	Analysis of Transactions							
	ASSETS = LIABILITIES + STOCKHOLDERS' EQUITY							
	Cash	Accounts + Receivable +	Supplies	+ Equipment =	Accounts + payable	Common Stock +	Retained Earnings	Type of Stockholders' + Equity Transaction

The balances of all the accounts Cash through Common Stock agree with the ending balances obtained in Problem 2-59A.

**Solutions Manual** 

### P2-61A (50-60 min.)

#### Requirements

- 1. Record each transaction in the journal. Be sure to record the date in each entry. Explanations are not required.
- 2. Post the transactions to the T-accounts, using transaction dates as posting references. Determine the ending balance in each account.
- 3. Prepare the trial balance of Cloutier Services, Inc., at August 31 of the current year.
- 4. Michael Cloutier, the manager, asks you how much in total resources the business has to work with, how much it owes, and whether August was profitable (and by how much).

**Solutions Manual** 

P2-63B (15-30 min.)

### Requirement

1. Write a short note to answer Clara's questions. In your note, state the amounts of Colby Design's total assets, total liabilities, and net income or net loss for the year. Also show how you computed each amount.

#### Solution:

### Dear Clara,

This trial balance lists the accounts of the company, along with their balances at December 31, 2018. The trial balance provides the data for computing total assets, total liabilities, and net income or net loss.

### Colby Design reports:

- a. Total assets = \$413,500 (\$13,000 + \$55,000 + \$6,500 + \$104,000
- + \$235,000)
- b. Total liabilities = \$144,300 (\$50,300 + \$94,000)
- c. Net income = \$76,000 (\$200,000 \$28,000 \$6,000 \$85,000
- \$5,000)

**Solutions Manual** 

P2-64B (45-60 min.)

### Requirements

- 1. Analyze the effects of the preceding transactions on the accounting equation of Davis Computing, Inc.
- 2. Prepare the income statement of Davis Computing, Inc., for the month ended October 31, 2018. List expenses in decreasing order by amount.
- 3. Prepare the statement of retained earnings of Davis Computing, Inc., for the month ended October 31, 2018.
- 4. Prepare the balance sheet of Davis Computing, Inc., at October 31, 2018.

Req. 1

The balances of all the accounts Cash through Common Stock agree with the ending balances obtained in Problem 2-64B.

**Solutions Manual** 

### P2-66B (50-60 min.)

#### Requirements

- 1. Record each transaction in the journal. Be sure to record the date in each entry. Explanations are not required.
- 2. Post the transactions to the T-accounts, using transaction dates as posting references. Determine the ending balance in each account.
- 3. Prepare the trial balance of Augusta Services, Inc., at March 31 of the current year.
- 4. Lauren Augusta, the manager, asks you how much in total resources the business has to work with, how much it owes, and whether March was profitable (and by how much).

E2-68 (20-40 min.)

### Requirement

1. Prepare a T-account to compute each amount, a through c.

### Solution:

# a. Total cash paid during December:

Cash					
Nov. 30 Bal.	14,500				
Dec. receipts	99,000	Dec. payments	X=	106,250	
Dec. 31 Bal.	7,250				

# b. Cash collections from customers during December:

Accounts Receivable					
Nov 30 Bal.	29,000				
Dec. sales					
on account	49,000	Dec. collections X=	51,000		
Dec. 31 Bal.	27,000				

### c. Cash paid on notes payable during December:

Notes Payable				
X=		Nov. 30 Bal.	15,500	
Dec. note payments	20,000	Dec. new borrowing	28,000	
		Dec. 31 Bal.	23,500	

**Solutions Manual** 

E2-69 (20-30 min.)

### Requirements

- 1. Prepare a trial balance for the ledger accounts of Jubilee, Inc., as of October 31, 2018.
- 2. Determine the out-of-balance amount. The error lies in the Accounts Receivable account. Add the out-of-balance amount to, or subtract it from, Accounts Receivable to determine the correct balance of Accounts Receivable. After correcting Accounts Receivable, advise the top management of Jubilee, Inc., on the company's
- a. total assets.
- b. total liabilities.
- c. net income or net loss for October.

### Solution:

#### Rea. 1

lubilee	las					
Jubilee, Inc.						
Trial Ba	lance					
October 3	31, 2018					
Cash	4,100					
Accounts receivable	7,300					
Land	31,700					
Accounts payable		\$	6,700			
Note payable			5,400			
Common stock			23,900			
Retained earnings			1,200			
Service revenue			9,800			
Salary expense	2,500					
Advertising expense	1,200					
Totals	\$ 46,800	\$	47,000			

Out of balance by \$200

The correct balance of Accounts Receivable is \$7,500\* (\$7,300 + \$200). After this correction, total debits will be \$47,000 (\$46,800 + \$200), the same as total credits.

a.	Total assets	=	\$43,300 (\$4,100 + \$7,500* + \$31,700)
b.	Total liabilities	=	\$12,100 (\$6,700 + \$5,400)
C.	Net income	=	\$ 6,100 (\$9,800 - \$2,500 - \$1,200)

**Solutions Manual** 

E2-70 (10-15 min.)

### Requirements

- 1. For this situation, show everything that both Marion and Ashland will report on their November and December income statements and on their balance sheets at November 30 and December 31.
- 2. After showing what each company should report, briefly explain how the Marion and Ashland data relate to each other.

#### Solution:

### Req. 1

Marion Co.:			
Income statement	November	December	
Employee medical exp.	\$ 48,000	\$ -0-	
Balance sheet	Nov. 30	Dec. 31	
Cash	\$ 51,000	\$ 18,000	*
Accounts payable	48,000	15,000	**
Ashland Hospital:			
Income statement	November	December	
Service revenue	\$ 48,000	\$ -0-	
Balance sheet	Nov. 30	Dec. 31	
Cash	\$ -0-	\$ 33,000	
Accounts receivable	48,000	15,000	**

### Req. 2

### Explanation:

Marion's \$48,000 expense is Ashland's revenue of \$48,000.

Marion's \$33,000 cash payment is Ashland's cash receipt of \$33,000.

Marion's \$15,000 account payable is Ashland's account receivable of \$15,000.

Marion's \$48,000 account payable is Ashland's account receivable of \$48,000.

\*\$51,000 - \$33,000 = \$18,000 \*\*\$48,000 - \$33,000 = \$15,000

**Solutions Manual** 

P2-71 (20 min.)

### Requirements

1. For each of the preceding entries, indicate the effect of the error on cash, total assets, and net income. The answer for the first transaction has been provided as an example.

Date	Effect on Cash	Effect on Total Assets	Effect on Net Income
May 1	Understated \$1,700	Overstated \$1,700	Overstated \$1,700

- 2. What is the correct balance of cash if the balance of cash on the books before correcting the preceding transactions was \$6,300?
- 3. What is the correct amount of total assets if the total assets on the books before correcting the preceding transactions was \$20,000?
- 4. What is the correct net income for May if the reported income before correcting the preceding transactions was \$9,000?

### Solution:

### Req. 1

		Effect		Effect on Net Income
Da	ate	on Cash	<b>Effect on Total Assets</b>	
May	1	Understated \$1,700	Overstated \$1,700	Overstated \$1,700
	2	Understated \$3,600	Understated \$3,600	Understated \$3,600
	5	Correct	Understated \$3,400	Understated \$3,400
	10	Correct	Correct	Correct
	16	Correct	Correct	Overstated \$5,600
	25	Correct	Overstated \$3,900	Correct

### Req. 2

Correct cash balance, \$11,600 (\$6,300 + \$1,700 + \$3,600)

#### Req. 3

Correct total assets, \$21,400 (\$20,000 + \$1,700 - \$3,600 + \$3,400 - \$3,900)

### Req. 4

Correct net income, \$8,800 (\$9,000 - \$1,700 + \$3,600 - \$3,400 + \$5,500)

**Solutions Manual** 

# Serial Case (20-30 min.)

Total expenses		5,000
Net income for month		\$ 5,500

Recommendation: Barton's criteria for remaining in operation was to earn net income of \$5,000. His actual result was just over this goal. Yes, I would recommend that he stay in business.

**Solutions Manual** 

Decision Case 2 (20-30 min.)

#### Requirement

1. Joe Ferritto has asked whether he should expand the restaurant. His banker says Ferritto may be wise to expand if (a) net income for the first month reached \$10,000 and (b) total assets are at least \$35,000. It appears that the business has reached these milestones, but Ferritto doubts whether his financial statements tell the true story. He needs your help in making this decision. Prepare a corrected income statement and balance sheet. (Remember that Retained Earnings, which was omitted from the balance sheet, should equal net income for the first month; there were no dividends.) After preparing the statements, give Joe Ferritto your recommendation as to whether he should expand the restaurant.

#### Solution:

Romano Castle, Inc. Income Statement				
Month Ended December 31, 2018				
Sales revenue	\$	42,000		
Cost of sales (expense)		22,000		
Rent expense		6,000		
Advertising expense		5,000		
Total expenses		33,000		
Net income	\$	9,000		

Romano Castle, Inc. Balance Sheet								
	December 31, 2018							
ASSET	ASSETS LIABILITIES							
Cash	\$	12,000	Accounts payable	\$	8,000			
Food inventory		5,000	STOCKHOLDERS' E	QUI	TY			
Furniture		10,000	Common stock		10,000			
			Retained earnings		9,000			
			Total stockholders' equity		19,000			
			Total liabilities and					
Total assets	\$	27,000	stockholders' equity	\$	27,000			

Recommendation: Do not expand this month. The business falls short of the goals for both net income and total assets. However, Romano Castle, Inc. appears to be profitable, and assets are building toward Ferritto's goals. Maybe next month.

**Solutions Manual** 

#### **Ethical Issues 1**

#### Requirements

Use the ethical decision model in Chapter 1 to answer the following questions:

- 1. What is the ethical issue?
- 2. Who are the stakeholders? What are the possible consequences to each?
- 3. Analyze the alternatives from the following standpoints: (a) economic, (b) legal, and (c) ethical.
- 4. What would you do? How would you justify your decision? How would your decision make you feel afterward?

#### Solution:

1. The ethical issue is whether these alternatives of financing the business are proper from an economic, legal, and ethical standpoint.

The stakeholders are Shabby Fitch, the bank, potential new creditors, and the friend who may become a stockholder. Consequences to the creditors are the inability of the company to pay interest and the loan. Consequences to the investors are the inability of the company to pay dividends and the possibility of loss of investment if the company goes bankrupt.

3.	Option 1:	Cash Common Stock	200,000	200,000
	Option 2:	Land Common Stock	200,000	200,000
		Common Stock Land	200,000	200,000

Option 1 is economically sound, perfectly legal, and also ethical because the sale of the stock is a valid transaction between the business and a stockholder. The consequences of this decision are that Fitch obtains additional financing at a cost (he now shares ownership of the business with his friend). The friend gives up cash in exchange for an ownership interest in the business. The bank and future creditors obtain complete and truthful disclosure of the manner in which the business has been financed.

Option 2 represents "window dressing" (making the company look like an entity that it is not). Although it might be legal in the strictest sense of the word (and it might not), this option does not faithfully represent economic reality. Thus, it is not in accordance with GAAP, which is a substitute for the legal criterion. This option is also unethical because the receipt of the land by the business is not a real transaction. The transfer of the land back to Fitch means that the business never actually has the land for its use. It violates the rights of the bank and future creditors to give them information that is inaccurate and that does not faithfully represent economic reality.

The best option to take is definitely Option 1. The decision maker can walk away from this transaction confident that he or she told the truth.

**Solutions Manual** 

#### **Ethical Issue 2**

# Part A. Requirements

- 1. What is the ethical issue?
- 2. Who are the stakeholders? What are the possible consequences to each?
- 3. Analyze the alternatives from the following standpoints: (a) economic, (b) legal, and (c) ethical.
- 4. What would you do? How would you justify your decision? How would it make you feel afterward?

- 1. The ethical issue is whether you should question your grade, which is higher than you expected. Your choices are (a) discuss the grade with the professor; and (b) do not discuss the grade with the professor.
- 2,3. Stakeholders are you, the professor, the other students in the class, and the university. The possible consequences to you of discussing the grade with the professor is that it may lead to the discovery that the professor made a mistake in calculating the grade, which may lead to a downward adjustment. While this could possibly have adverse economic consequences (i.e., perhaps loss of scholarship if the grade is substantially lowered), it is unlikely that a letter-grade drop in one course would have such an impact on grade point average as to cause loss of a scholarship. There is no legal consequence to reporting a grade that is too high. The ethical consequence is generally positive on all concerned, as it leads to clarification of the true grade.
- 4. Student opinions will vary on this part.

**Solutions Manual** 

#### Part B.

#### Requirements

- 1. What is the ethical issue?
- 2. Who are the stakeholders and what are the consequences to each?
- 3. Analyze the alternatives from the following standpoints: (a) economic, (b) legal, and (c) ethical.
- 4. What would you do? How would you justify your decision? How would it make you feel?

#### Solution:

- 1. The ethical issue in this case is whether you should question your grade, which is now lower than you expected. Your choices are (a) discuss the grade with the professor; and (b) do not discuss the grade with the professor.
- 2,3. Like part a, the stakeholders are you, the professor, the other students in the class, and the university. The possible consequences to you of discussing the grade with the professor is that it may lead to the discovery that the professor made a mistake in calculating the grade, which may lead to an upward adjustment. This could have positive economic consequences (i.e., perhaps keeping a scholarship). Like part a, the ethical consequence of this action is generally positive on all concerned, as it leads to clarification of the true grade.
- 4. Most students would probably respond "take it to the professor." But shouldn't we be just as concerned about knowing the true grade either way? The author recommends discussing the grade with the professor one way or the other.

# Part C.

How is this situation like a financial accounting misstatement? How is it different?

#### Solution:

Both course grades and financial statements report results that people use in order to make decisions that can carry both positive and negative consequences. In both situations, it is important that the user receive relevant information, and that the information faithfully represent facts as they actually occurred.

# Apple, Inc. (20-30 min.)

- 1. Set up T-accounts for beginning balances of Cash (\$0\* balance); Accounts Receivable, net (debit balance of \$16,849 million); Inventories (debit balance of \$2,349 million); Property, Plant, and Equipment, net (debit balance of \$22,471 million); Other Non-Current Assets (debit balance of \$5,422 million); Accounts Payable (credit balance of \$35,490 million); Net Sales (\$0 balance); Cost of Sales (\$0 balance); Operating Expenses (\$0 balance); Other Income/(Expense), net (\$0 balance); Provision for Income Taxes (\$0 balance).
- 2. Journalize Apple's transactions a-j. Explanations are not required.
- 3. Post to the T-accounts, and compute the balance for each account. Key postings by transaction letters a–j.
- 4. For each of the following accounts, compare your computed balance to Apple's actual balance as shown on its 2016 Consolidated Statement of Operations or Consolidated Balance Sheet in Appendix A at the end of the book. Your amounts should agree with the actual figures.
- a. Accounts Receivable, net
- b. Inventories
- c. Property, Plant, and Equipment, net (assume no other activity in these assets than given in the problem)
- d. Other Non-Current Assets
- e. Accounts Payable
- f. Net Sales
- g. Cost of Sales
- h. Operating Expenses
- i. Other Income/(Expense), net
- i. Provision for Income Taxes
- 5. Use the relevant accounts from requirement 4 to prepare a summary, single-step income statement for Apple for 2016. Compare the net income (loss) you computed to Apple's actual net income (loss). The two amounts should be equal.

Regs. 1 and 3

	Ca	sh			Accounts R	ece	ivable, net
	0	e.	129,355		16,849	b.	216,734
b.	216,734	f.	24,239	а	a. 215,639

1,348	24,239

Provision for Income Taxes			
h. 13,973	3		
13,973	3		

Req. 2

		(Millio	ons)
a.	Accounts Receivable, net and other Net Sales (Revenue)	215,639	215,639
b.	Cash Accounts Receivable, net	216,374	216,374
c.	Inventories Accounts Payable.	131,159	131,159
d.	Cost of Sales Inventories	131,376	131,376
e.	Accounts Payable Cash	129,355	129,355
f.	Operating Expenses Cash	24,239	24,239
g.	Cash Other Income (Expense), net	1,348	1,348
h.	Provision for Income Taxes  Cash	15,685	15,685
i.	Other Non-Current Assets Cash	3,335	3,335
j.	Property, Plant, and Equipment, net  Cash	4,539	4,539

#### Req. 4

All the selected account balances agree with Apple, Inc.'s actual figures on the income statement or the balance sheet.

# Req. 5

I	Revenue:	(Milli	ons)
	Net sales	\$ 215,639	
	Other Income (Expense), net	1,348	
	Total revenue		\$ 216,987
	Expenses:		
	Cost of sales	\$ 131,376	
	Operating expenses	24,239	
	Provision for income taxes	15,685	
	Total expenses		171,300
	Net Income		\$ 45,687

The net income of \$45,687 million equals the net income reported on Apple's income statement.

**Solutions Manual** 

# Under Armour, Inc. (20-30 min.)

1. Which was larger for Under Armour, Inc. during 2016: (1) net revenues, or (2) cash collected from customers? Why? Show computation. Assume all revenues are on credit. 2. Investors are vitally interested in a company's sales and profits and its trends of sales and profits over time. Consider Under Armour's net revenues and net income (net loss) during the period from 2014 through 2016. Compute the percentage increase or decrease in net sales and also in net income (net loss) from 2014 to 2016. Which item grew faster during this two-year period—net sales or net income (net loss)? Can you offer a possible explanation for these changes?

#### Solution:

#### Req. 1

During fiscal 2016, Under Armour, Inc. had more net revenues than cash collections. This is determined by analyzing net receivables, as follows:

Ν	et receivables:	(Th	ousands)
	Balance at the end of fiscal 2015	\$	433,638
+	Sales during fiscal 2016 (from consolidated		4,825,335
	statements of income)		
-	Collections from customers during fiscal 2016		(X)
=	Balance at the end of fiscal 2016	\$	622,685

Solving for X, collections were 4,636,288 (433,638 + 4,825,335 - 622,685). Another way to express this relationship is that when accounts receivable increase during the year, revenues must exceed cash collections. If accounts receivable decrease during the year, cash collections must exceed revenues.

#### Req. 2

Net revenues increased overall, however the percentage change is less (21.75%) in 2016, compared to the 2015 percentage change (28.50%). Net income increased overall, however the percentage change is less in 2016. (10.49%) compared to the 2015 percentage change (11.79%).

Net revenues grew (increased) faster than net income for the period examined. More factors affect net income than net revenues, so it is more likely that net income would increase at a slower rate than net revenues. In the fiscal year 2016, the company's two largest expenses increased substantially, and dragged down net income. Cost of Goods Sold increased 25.61% and Selling/General/Administrative Expenses increased 21.79%.

	2016	2015	2014
Net revenues (thousands)	\$ 4,825,335	\$ 3,963,313	\$ 3,084,370
\$ change	862,022	878,943	
Percentage change	21.75%	28.50%	
	(\$862,022 ÷	\$878,943 ÷	
	\$3,963,313)	\$3,084,370)	
Net income (thousands)	\$ 256,979	\$ 232,573	\$ 208,042
\$ change	24,406	24,531	
Percentage change	10.49%	11.79%	
	(\$24,406 ÷	(\$24,531 ÷	
	\$232,573)	\$208,042)	

**Solutions Manual** 

# **Group project 1**

#### Requirements

- 1. Make a detailed list of 10 factors you must consider as you establish the business.
- 2. Describe 10 of the items your business must arrange to promote and stage the concert.
- 3. Identify the transactions that your business can undertake to organize, promote, and stage the concert. Journalize the transactions, and post to the relevant T-accounts. Set up the accounts you need for your business ledger.
- 4. Prepare the income statement, statement of retained earnings, and balance sheet immediately after the rock concert—that is, before you have had time to pay all the business bills and to collect all receivables.
- 5. Assume that you will continue to promote rock concerts if the venture is successful. If it is unsuccessful, you will terminate the business within three months after the concert. Discuss how to evaluate the success of your venture and how to decide whether to continue in business.

Student responses will vary.		

**Solutions Manual** 

# **Group project 2**

# Requirements

- 1. Obtain a copy of the business's chart of accounts.
- 2. Prepare the company's financial statements for the most recent month, quarter, or year. You may use either made-up account balances or balances supplied by the owner.

Student responses will vary.	

# **Chapter 2: Transaction Analysis**

# **Learning Objectives**

- **1. Recognize** a business transaction and the various types of accounts in which it can be recorded
- 2. Analyze the impact of business transactions on the accounting equation
- **3. Analyze** the impact of business transactions on accounts
- **4. Journalize** transactions and post journal entries to the ledger
- **5.** Construct a trial balance

# **Chapter Outline**

- I. A Business Transaction
  - A. Any event that has a financial impact on the business and can be measured reliably
  - B. Something is given
  - C. Something is received in return
- II. Account
  - A. Record of all the changes in a particular asset, liability, or stockholders' equity during a period
  - B. Categories
    - Assets (Examples: Cash, Accounts Receivable, Notes Receivable, Inventory, Prepaid Expenses, Film and Television Costs, Investments, Parks, Resorts, and Other Property)
    - 2. Liabilities (Examples: Accounts Payable, Notes Payable, Accrued Liabilities)
    - 3. Stockholders' (Owners') Equity (Examples: Common Stock, Retained Earnings, Dividends, Revenues, Expenses)
- III. Transaction Examples
  - A. Impact on the accounting equation (the equation always stays in balance)
  - B. Impact on the financial statements
- IV. Impact of Business Transactions on Accounts
  - A. Double-entry accounting system
  - B. T-account:

ACCOUNT TITLE				
Debit	Credit			

- 1. Debit "left or left-hand side"
- 2. Credit "right or right-hand side"
- C. Rules of debit and credit
  - 1. Debit Increases in assets, expenses, and dividends; decreases in liabilities, stockholders' equity, and revenues
  - 2. Credit Increases in liabilities, stockholders' equity, and revenues; decreases in assets, expenses, and dividends
- D. Balance = amount remaining in an account
- E. Revenues (Examples: Sales Revenue, Legal Fees Earned, Service Revenue)
- F. Expenses (Examples: Cost of Goods Sold, Salaries Expense, Utilities Expense)
- V. Journalize Transactions and Post Journal Entries to the Ledger
  - A. Journal A chronological record of transactions
  - B. Journalizing example:

Account and Explanation	Debit	Credit
Cash	50,000	
Common Stock		50,000
Issued common stock		

- C. Ledger Grouping of all the T-accounts, with their balances
- D. Posting Data must be copied from the journal to the ledger
- E. Posting example:

Account and Explanation	Debit	Credit	
Cash	50,000		
Common Stock		50,000	
Issued common stock			
	Ca	ash	Common Stock
	<b>50,000</b>		50,000 ◀

- F. Flow of accounting data
- VI. Construct and Use a Trial Balance
  - A. Analyzing accounts
  - B. Correcting accounting errors
  - C. Chart of accounts
  - D. Normal account balances:

	Normal		
Account Type	Balance	Increase	Decrease
Asset	Debit	Debit	Credit
Liability	Credit	Credit	Debit
Stockholders'			
Equity	Credit	Credit	Debit
Revenue	Credit	Credit	Debit
Expense	Debit	Debit	Credit
Common Stock	Credit	Credit	Debit
<b>Retained Earnings</b>	Credit	Credit	Debit
Dividends	Debit	Debit	Credit

- E. Account formats
- F. How to analyze transactions from T-accounts

# **Chapter Activities**

### 1. Chapter Opener

Chapter 2 spotlight continues with the Walt Disney Company discussion from Chapter 1 and discusses the sources of some of the millions of transactions that Disney records each year, resulting in billions of dollars of revenues. Throughout the chapter, references are made to the accounts and transactions that Disney reports in their financial statements. Again, have the students review the Walt Disney website at <a href="https://thewaltdisneycompany.com">https://thewaltdisneycompany.com</a>, and study the financial statements, focusing on the consolidated statements of income (found in the annual report), and discuss what items might make up the company's revenues. Additionally, discuss the items that could be included in the expense figures for Disney. This could lead to a discussion about how a company determines its net income or net loss. Lead students in a discussion of how revenues and expenses differ from assets and liabilities.

# 2. Transactions Activity

Use the game Monopoly as an example of a business that would engage in transactions for a particular period. Examples of transactions that a player of the game might encounter include:

- 1) Receive \$1,500 in cash to be used as capital investment
- 2) Bank pays you a dividend of \$50
- 3) Purchase Park Place for \$35
- 4) Pay poor tax of \$15
- 5) Purchase house for property on Park Place for \$200
- 6) Pay rent on Baltic Avenue of \$4

- 7) Receive for services \$25
- 8) From sale of common stock, you get \$45
- 9) Pay school tax of \$150
- 10) Collect rent on Park Place of \$175
- 11) Pay rent on Pennsylvania Railroad of \$25
- 12) Pay Water Works \$60
- 13) Mortgage Park Place for \$175

Place the students into groups and use the chart of accounts below. Have the students put each of the transactions in journal entry form.

Cash

Dividend Revenue

Common Stock

House

Investment Revenue

Land

Mortgage Payable

Rent Expense

Rent Revenue

Tax Expense

Service Revenue

Utilities Expense

- 10. A revenue:
  - A. Has the same normal balance as cash.
  - B. Is the decrease in liabilities as a result of providing goods or services.
  - C. Is the increase in stockholders' equity as a result of providing goods or services.
  - D. Is the decrease in stockholders' equity as a result of providing goods or services.

# Chapter 2: Locating an annual report/Form 10-K

#### Initial posting

In this discussion, you will use information you find in a company's Form 10-K, which is the annual report that publicly-held companies file with the Securities & Exchange Commission (SEC.)

The first thing you need to do is find a recent 10-K (issued within the past twelve months) for a publicly-held company in which you are interested.

To find a Form 10-K, you will use the SEC Edgar database. Search online for "SEC Edgar." If you know what company you are interested in, you might also be able to go to that company's Investor Relations website and locate its Form 10-K there. You can also view a short video about how to locate a Form 10-K on the SEC EDGAR site at <a href="http://youtu.be/MPgvGua9-RM">http://youtu.be/MPgvGua9-RM</a>.

In your first posting for this discussion, describe the company you selected for the Form 10-K. Give the company's full official name. Give the URL for the direct download of the company's 10-K that you are referencing. You will want to talk about what this company does and the products it sells. What is the company's year end (date)? Also tell why you selected this company. Why does this company interest you? Is this somewhere you might be interested in working at some day? Are you passionate about the company's products?

Your posting should be 100 - 300 words. Do not copy phrases from the Form 10-K; write your post in your own words. You can include information from the financial statements or Note 1 as well. Include one item in your paragraph that you found particularly interesting or surprising. You also need to post (in that same initial posting) a question about something in the 10-K (the parts described above only) that puzzles you; some question you have from reading the parts described.

### Follow-up posting

For your follow-up posting(s) for the week (the one(s) due by Saturday), you will reply to someone's question(s). Use your textbook as your reference. Have reasons (facts) behind your answer (please note: Wikipedia is not an appropriate source, nor are many websites you find.) Do try to answer the question and provide rationale for your answer (again, your textbook is the best source in most cases).
