68) _____ is someone that generally aims to maximize their utility and profit from action taken rather than acting against their self-interest.

Feedback: conceptual

Chapter Section Reference: Classical Realism and Neorealism

- *a. A rational actor
- b. A selfishness
- c. A Darwinian
- d. An intelligent thinker

69) Which of these is a scholar of dependency theory?

Feedback: conceptual

Chapter Section Reference: Marxism and Dependency Theory

- a. Joseph Nye
- b. Karl Marx
- c. Robert Keohane
- *d. Andre Gunder Frank

70) Intersectionality is rooted in _____.

Feedback: conceptual

Chapter Section Reference: Feminism: An Emphasis on Gender

- *a. Feminist Theory
- b. Liberal Theory
- c. Realist Theory
- d. World System Theory

71) A contest in which gains by one or more players can be achieved without being offset by losses for any other player or players is called _____.

Feedback: applied

Chapter Section Reference: Liberal Theory

- a. rational choice
- b. prisoner dilemma
- c. the game of chicken
- *d. positive-sum game

Type: essay/short answer question

Title: Chapter 02 Question 01

1) Explain *rational choice theory*.

Feedback:• Provide examples from the chapter.

- What are the conceptual elements of rational choice theory?
- What are the limits to rationality?

Type: essay/short answer question

Title: Chapter 02 Question 02

2) Explain the *classical liberalist theory of global politics*.

Feedback:• Define classical liberalism theory.

- Who are the leading proponents of classical liberalism theory?
- What is the intellectual lineage of classical liberalism theory?

Type: essay/short answer question

Title: Chapter 02 Question 03

3) Explain the *neoliberalist theory of global politics*.

Feedback:• Who are the main actors of neoliberalism?

- Discuss the *outside-in* explanation.
- Explain the structure of the international system.

Type: essay/short answer question

Title: Chapter 02 Question 04

4) Define the realist theory of global politics.

Feedback:• Define realism.

- Provide examples from the chapter.
- Who are the main actors?

Type: essay/short answer question

Title: Chapter 02 Question 05

5) With examples, explain the zero-sum game.

Feedback:• Define the zero-sum game.

- Which theory supports the concept of the zero-sum game? Explain.
- What are some of the criticisms of the zero-sum game logic?

Type: essay/short answer question

Title: Chapter 02 Question 06

6) What role, if any, does *imperialism* play in global politics?

Feedback:• Define imperialism.

- Give examples of imperialism.
- What are some of the criticisms of imperialism?

Type: essay/short answer question

Title: Chapter 02 Question 07

7) Describe and explain the central tenants of *dependency theory*.

Feedback:• Define dependency theory.

- Give examples of dependency theory.
- What is the intellectual lineage of dependency theory?

Type: essay/short answer question

Title: Chapter 02 Question 08

8) Explain the *Marxist theory of global politics*.

Feedback:• Define the Marxist theory.

- What arguments do proponents of the *Marxist theory* make?
- Give examples of Marxist theory in global politics (past or present).

Type: essay/short answer question

Title: Chapter 02 Question 09

9) Examine the center/core logic in global politics.

Feedback:• What is the center/core logic?

- Which theory of global politics supports the center/core logic?
- Give examples of the center/core logic in global politics.

Type: essay/short answer question

Title: Chapter 02 Question 10

10) What are the main arguments that a *defensive realist* makes?

Feedback:• Define defensive realism.

- What are the views of defensive realism as it relates to war?
- Who are some of the chief architects of defensive realism?

Type: essay/short answer question

Title: Chapter 02 Question 11

11) Explain the term *cosmopolitanism* in global politics.

Feedback:• What is *cosmopolitanism* in global politics?

- Give examples of *cosmopolitanism*.
- What are some of the claims of *cosmopolitanism*?

Type: essay/short answer question

Title: Chapter 02 Question 12

12) What are the differences between classical realism and neorealism?

Feedback:• What are the differences and similarities between classical realism and neorealism, if any?

- Who are the main contributors of classical realism and neorealism?
- What would a classical realist and neorealist say are the root causes of perpetual conflicts?

Type: essay/short answer question

Title: Chapter 02 Question 13

13) Explain the term positive-sum game.

Feedback:• Which theoretical framework supports the ideas of the positive-sum game?

- What are some real-world examples of positive-sum games?
- How effective is the idea positive-sum game?

Type: essay/short answer question

Title: Chapter 02 Question 14

14) What is *critical (or radical)* feminism?

Feedback:• Define *critical (or radical)* feminism as a theoretical framework in global politics.

- Give examples of *critical (or radical)* feminism.
- How is *critical (or radical)* feminism different from other strands of feminism.?

Type: essay/short answer question

Title: Chapter 02 Question 15

15) What is *intersectionality*?

Feedback:• Define and describe aspects of *intersectionality*.

- Give examples of *intersectionality* in practice.
- Which theoretical lens will most likely debate issues of *intersectionality*?

Type: essay/short answer question

Title: Chapter 02 Question 01

1) Write a 300-word essay evaluating the importance of *theory* and theory formation in global politics.

Feedback:• What are theories?

- Identify some of the key proponents of different theoretical perspectives in global politics.
- Why does theory matter in global politics?
- What are some of the strengths and weaknesses of theory?
- What are some of the essential theories discussed in this chapter?

Type: essay/short answer question

Title: Chapter 02 Question 02

2) Is democracy the most effective form of governance to support global politics?

Feedback:• Define democratic governance.

- What are some of the strengths of democratic governance?

- Can democratic governance hinder global politics? If so, how?
- Explain how different theoretical perspectives might treat democratic governance, especially in foreign policy.
- What are some of the essential non-democratic states in global politics? How successful are they?

Type: essay/short answer question

Title: Chapter 02 Question 03

3) Within global politics, there are significant contentions among Global North countries and Global South countries. Using the various theoretical perspectives, examine the various North/South contentions.

Feedback:• Which theory best explains the North/South contentions?

- Why is there an inequality gap between the Global North and the Global South?
- Provide concrete recommendations to mitigate the contention between the global North and Global South.
- How do the North/South contentions impact their future social, economic, and political growth?

Type: essay/short answer question

Title: Chapter 02 Question 04

4) Write an essay on the roles that constructivism plays in global politics.

Feedback:• Define constructivism as a theoretical framework in global politics.

- What are the main concerns of constructivism?
- Give examples of constructivism in practice in global politics.
- Who are some of the most influential constructivist scholars?
- How is constructivism different from other theories?
- Is there a place for constructivism in global politics? Give reasons for your answer.

Type: essay/short answer question

Title: Chapter 02 Question 05

5) Write an essay examining the main contributions of feminist theory in global politics.

Feedback:• Define feminism as a theoretical framework in global politics.

- What are the central claims of feminism?
- Differentiate between different strands of feminism.
- Give examples of feminist theory in practice.
- Discuss some of the important feminist scholars in global politics.
