Answer: F
Difficulty Level: Medium
Subject Heading: Characteristics and Functions of Money
L.O. 2.4
26. Purchasing power is increased by inflation.
Answer: F
Difficulty Level: Medium
Subject Heading: Characteristics and Functions of Money
L.O. 2.4

27. How easily and with little loss of value an asset can be exchanged for money or other assets is called exchangeability.
Answer: F
Difficulty Level: Medium
Subject Heading: Characteristics and Functions of Money
L.O. 2.4
28. Fiat money is a form of credit money.
Answer: T
Difficulty Level: Easy
Subject Heading: Credit Money and Deposit Money
L.O. 2.5
29. Fiat money is legal tender proclaimed to be money by law.
Answer: T
Difficulty Level: Easy
Subject Heading: Development of Money in the United States
L.O. 2.5
30. Physical money includes coin and currency.
Answer: T
Difficulty Level: Easy
Subject Heading: Physical Money (Coin and Paper Currency)
L.O. 2.5
31. "Continental" were denominated in dollars and were backed by gold.
Answer: F
Difficulty Level: Easy
Subject Heading: Monetary History
L.O. 2.5
32. The use of "continentals" led to a long period of distrust of paper money.
Answer: T
Difficulty Level: Easy
Subject Heading: Paper Currency
L.O. 2.5
33. Fiat money is paper money fully backed by a precious metal such as gold.
Answer: F
Difficulty Level: Easy
Subject Heading: Credit Money and Deposit Money
L.O. 2.5

34. Full-bodied money is a monetary standard based on two metals, usually silver and gold.
Answer: F
Difficulty Level: Easy
Subject Heading: Physical Money (Coin and Paper Currency)
L.O. 2.5
35. Representative full-bodied money is paper money fully backed by a precious metal such as gold.
Answer: T
Difficulty Level: Easy
Subject Heading: Monetary History
L.O. 2.5
36. Representative full-bodied money consists of paper money fully backed by a precious metal.
Answer: T
Difficulty Level: Medium
Subject Heading: Physical Money (Coin and Paper Currency)
L.O. 2.5
37. Fiat money must be backed by a specific amount of gold or silver.
Answer: F
Difficulty Level: Medium
Subject Heading: Credit Money and Deposit Money
L.O. 2.5
38. Our monetary standard today is the paper dollar, issued by the Federal Reserve, and can be exchanged for gold or silver.
Answer: F
Difficulty Level: Medium
Subject Heading: Physical Money (Coin and Paper Currency)
L.O. 2.5
39. No full-bodied or representative full-bodied money is in use in the United States today.
Answer: T
Difficulty Level: Medium
Subject Heading: Physical Money (Coin and Paper Currency)
L.O. 2.5

Answer: T
Difficulty Level: Easy
Subject Heading: Money Market Securities
L.O. 2.6
57. A store of purchasing power is the most important function of money.
Answer: F
Difficulty Level: Medium
Subject Heading: M1 Money Supply
L.O. 2.7
58. M1 includes currency and demand deposits but excludes travelers' checks.
Answer: F
Difficulty Level: Easy
Subject Heading: M1 Money Supply
L.O. 2.7
59. Currency held in vaults of depository institutions is excluded from M1.
Answer: T
Difficulty Level: Easy
Subject Heading: M1 Money Supply
L.O. 2.7

60. M1 money supply consists of currency, travelers' checks, demand deposits, and other checkable deposits.
Answer: T
Difficulty Level: Easy
Subject Heading: M1 Money Supply
L.O. 2.7
61. Because credit card balances and limits can affect the rate of turnover of money supply and contribute to money supply expansion, these balances and limits are included in the M3 definition of money supply.
Answer: F
Difficulty Level: Medium
Subject Heading: Exclusions from the Money Supply
L.O. 2.7
62. Currency is part of the M1 money supply.
Answer: T
Difficulty Level: Easy
Subject Heading: M1 Money Supply
L.O. 2.7
63. Gold is part of the M1 money supply.
Answer: F
Difficulty Level: Easy
Subject Heading: M1 Money Supply
L.O. 2.7
64. Traveler's checks are part of the M1 money supply.
Answer: T
Difficulty Level: Easy
Subject Heading: M1 Money Supply
L.O. 2.7
65. Demand deposits are part of the M1 money supply.
Answer: T
Difficulty Level: Easy
Subject Heading: M1 Money Supply
L.O. 2.7
66. Silver is part of the M1 money supply.
Answer: T
Difficulty Level: Easy
Subject Heading: M1 Money Supply
L.O. 2.7

67. The faster velocity of money, the greater an economy's GDP.
Answer: T
Difficulty Level: Easy
Subject Heading: Money Supply and Economic Activity
L.O. 2.8
68. Even though credit card balances and limits are not included in any definition of money supply, these balances and limits can affect the rate of turnover of money supply and contribute to money supply expansion.
Answer: T
Difficulty Level: Medium
Subject Heading: Exclusions from the Money Supply
L.O. 2.8
69. The faster the rate of circulation of the money supply, the greater the output of goods and services in an economy.
Answer: T
Difficulty Level: Medium
Subject Heading: Money Supply and Economic Activity
L.O. 2.8
70. Most of the financial assets added to the M2 definition of money supply provide their owners with a higher rate of return than do M1 financial assets.
Answer: T
Difficulty Level: Medium
Subject Heading: M2 Money Supply
L.O. 2.8
71. Keynesians believe that when the supply of money exceeds the quantity demanded, the public will spend more rapidly causing inflation.
Answer: F
Difficulty Level: Medium
Subject Heading: Keynesians vs. Monetarists
L.O. 2.8

Answer: b

Difficulty Level: Medium

Subject Heading: Physical Money (Coin and Paper Currency)

L.O. 2.3

91. _____ include the direct ownership of land, buildings or homes, equipment, inventories, durable goods, and even precious metals.

- a. financial assets
- b. real assets
- c. government investments
- d. individual savings

Answer: b

Difficulty Level: Medium

Subject Heading: Characteristics and Functions of Money

L.O. 2.4

92. _____ are money, debt instruments, equity securities, and other financial contracts that are backed by real assets and the earning abilities of issuers.

- a. financial assets
- b. real assets
- c. government investments
- d. all of the above

Answer: a

Difficulty Level: Medium

Subject Heading: Characteristics and Functions of Money

L.O. 2.4

93. When it is a means of paying for goods and services and discharging debts, money is referred to as a

- a. store of purchasing power
- b. medium of exchange
- c. standard of value
- d. liquid asset

Answer: b

Difficulty Level: Easy

Subject Heading: Characteristics and Functions of Money

L.O. 2.4

94. Which of the following describes the basic function of money?

- a. store of purchasing power
- b. standard of value
- c. medium of exchange
- d. liquidity

Answer: c

Difficulty Level: Easy

Subject Heading: Characteristics and Functions of Money

L.O. 2.4

95. When it is a means of paying for goods and services and discharging debts, money is referred to as a:

- a. store of purchasing power
- b. medium of exchange
- c. standard of value
- d. liquid asset

Answer: b

Difficulty Level: Easy

Subject Heading: Characteristics and Functions of Money

L.O. 2.4

96. Barter involves the exchange of:

- a. goods for gold
- b. goods for silver
- c. gold for silver
- d. goods and services

Answer: d

Difficulty Level: Easy

Subject Heading: Characteristics and Functions of Money

L.O. 2.4

97. Paper money backed by a precious metal is called

- a. full-bodied money
- b. a bimetallic standard
- c. representative full-bodied money
- d. reserve money

Answer: c

Difficulty Level: Easy

Subject Heading: Physical Money (Coin and Paper Currency)

L.O. 2.5

98. The function of money that expresses prices and contracts for deferred payments in terms of the monetary unit is referred to as

- a. store of purchasing power
- b. standard of value
- c. medium of exchange
- d. credit money

Answer: b

Difficulty Level: Medium

Subject Heading: Characteristics and Functions of Money

L.O. 2.4

99. All money must perform the following basic functions except:

- a. guarantee of validity
- b. medium of exchange
- c. standard of value
- d. store of value

Answer: a

Difficulty Level: Medium

Subject Heading: Characteristics and Functions of Money

L.O. 2.4

100. The three functions of money are:

- a. medium of exchange, store of value, and measure of liquidity
- b. conduit for international trade, store of value, and standard of value
- c. medium of exchange, store of value, and standard of value
- d. inflation hedge, measure of liquidity, and medium of exchange

Answer: c

Difficulty Level: Medium

Subject Heading: Characteristics and Functions of Money

L.O. 2.4

101. Functions of money include all of the following except

- a. Money serves as a medium of exchange.
- b. Money may be held as a store of value.
- c. Money serves as a standard of value.
- d. All of the above are functions of money.

Answer: d

Difficulty Level: Medium

Subject Heading: Characteristics and Functions of Money

L.O. 2.4

102. Functions of money include all of the following except

- a. Money serves as a medium of exchange.
- b. Money may be held as a store of value.
- c. Money determines the wealth of a nation.
- d. The quality of goods and services.

Answer: c

Difficulty Level: Medium

Subject Heading: Characteristics and Functions of Money

L.O. 2.4

103. _____ is anything generally accepted as a means of paying for goods and services and for paying off debts. It must be easily divisible, so that exchanges can take place in small or large quantities; relatively inexpensive to store and transfer; and reasonably stable in value over time.

- c. Federal funds
- d. A banker's acceptance

Answer: c

Difficulty Level: Medium

Subject Heading: Money Market Securities

L.O. 2.6

132. Which of the following would not be considered liquid?

- a. money in savings accounts
- b. coins
- c. currency
- d. all the above are liquid

Answer: d

Difficulty Level: Easy

Subject Heading: M2 Money Supply

L.O. 2.7

133. Money market funds are not included in which of the following definitions of the money supply?

- a. M1
- b. M2
- c. M3
- d. M4

Answer: a

Difficulty Level: Easy

Subject Heading: M1 Money Supply

L.O. 2.7

134. Savings accounts are included in which of the following money supply definitions?

- a. M0
- b. M1
- c. M2
- d. Mx

Answer: c

Difficulty Level: Easy

Subject Heading: M2 Money Supply

L.O. 2.7

135. Overnight repurchase agreements are not included in which of the following definition of the money supply?

- a. M1
- b. M2
- c. M3
- d. M4

Answer: a

Difficulty Level: Easy

Subject Heading: M1 Money Supply

L.O. 2.7

136. Overnight repurchase agreements are not included in which of the following definition of the money supply?

- a. M1
- b. M2
- c. M3
- d. M4

Answer: a

Difficulty Level: Easy

Subject Heading: M1 Money Supply

L.O. 2.7

137. Money market funds are not included in which of the following definitions of the money supply?

- a. M1
- b. M2
- c. M3
- d. M4

Answer: a

Difficulty Level: Easy

Subject Heading: M1 Money Supply

L.O. 2.7

138. Which is included in definitions of the M2 money supply?

- a. outstanding balances on credit cards
- b. credit card limits
- c. Federal Reserve notes
- d. gold

Answer: c

Difficulty Level: Easy

Subject Heading: M2 Money Supply

L.O. 2.7

139. Credit money is backed by:

- a. gold
- b. silver
- c. creditworthiness of the issuer
- d. creditworthiness of the depository institution

Answer: c

Difficulty Level: Easy

Subject Heading: Credit Money and Deposit Money

L.O. 2.5

140. Deposit money is backed by:

- a. gold
- b. silver
- c. creditworthiness of the issuer
- d. creditworthiness of the depository institution

Answer: d

Difficulty Level: Easy

Subject Heading: Credit Money and Deposit Money

L.O. 2.7

141. _____ provide predetermined credit limits to consumers at the time the cards are issued.

- a. debit cards
- b. ATM cards
- c. credit cards
- d. transfer cards

Answer: c

Difficulty Level: Easy

Subject Heading: Exclusions from the Money Supply

L.O. 2.7

142. Credit card usage:

- a. may expand money supply
- b. may contract the money supply
- c. neither expands nor contracts money supply
- d. isn't considered by economists in the economic activity

Answer: a

Difficulty Level: Easy

Subject Heading: Exclusions from the Money Supply

L.O. 2.7

143. The narrowest definition of money supply is:

- a. M1
- b. M2
- c. M3
- d. M4

Answer: a

Difficulty Level: Easy

Subject Heading: M1 Money Supply

L.O. 2.7

144. Which of the following statements are correct?

- a. debit cards provide for the immediate direct transfer of deposit accounts
- b. debit cards may be used for cash advances, even when there is not sufficient money in the account
- c. debit cards may not be used to make cash withdrawals from automatic teller machines
- d. all the above

Answer: a

Difficulty Level: Medium

Subject Heading: Credit Money and Deposit Money

L.O. 2.5

145. The M1 definition of the money supply includes which of the following items?

- a. silver and gold bars
- b. government bonds

Answer: a

Difficulty Level: Hard

Subject Heading: Physical Money (Coin and Paper Currency)

L.O. 2.5

150. A measure of the output of goods and services in an economy is called:

- a. output
- b. money supply
- c. gross domestic product
- d. velocity

Answer: c

Difficulty Level: Easy

Subject Heading: Money Supply and Economic Activity

L.O. 2.8

151. A rise in prices not offset by increases in quality is called:

- a. deflation
- b. inflation
- c. stagflation
- d. recession

Answer: b

Difficulty Level: Easy

Subject Heading: Money Supply and Economic Activity

L.O. 2.8

152. A rise in prices that is fully offset by increases in quality is called

- a. deflation
- b. inflation
- c. stagflation
- d. none of the above

Answer: d

Difficulty Level: Easy

Subject Heading: Money Supply and Economic Activity

L.O. 2.8

153. If the money supply for an economy is \$3 trillion and the velocity of money is 4.5, then GDP is:

- a. \$0.67 trillion
- b. \$1.5 trillion
- c. \$7.5 trillion
- d. \$13.5 trillion

Answer: d

$4.5 \times \$3 \text{ trillion} = \13.5 trillion

Difficulty Level: Medium

Subject Heading: Money Supply and Economic Activity

L.O. 2.8

154. If the money supply for an economy is \$3 trillion and GDP is \$10 trillion, then the velocity of money is:

- a. \$3.33 trillion
- b. \$13.0 trillion
- c. \$7.0 trillion
- d. \$30 trillion

Answer: a

$\$10 \text{ trillion} / \$3 \text{ trillion} = \$3.33 \text{ trillion}$

Difficulty Level: Medium

Subject Heading: Money Supply and Economic Activity

L.O. 2.8

155. _____ accounts are increasingly used to make direct deposits to, and payments from, checkable deposit accounts.

- a. single balance
- b. money market
- c. automatic transfer service (ATS)
- d. capital market

Answer: c

Difficulty Level: Medium

Subject Heading: Credit Money and Deposit Money

L.O. 2.5

156. The velocity of money measures the rate of circulation of the money supply and can be expressed by the following equation (note: GDP = gross domestic product and MS = money supply):

- a. $VM = GDP/MS$
- b. $VM = MS/GDP$
- c. $VM = MS \times GDP$
- d. all of the above

Answer: a

Difficulty Level: Medium

Subject Heading: Money Supply and Economic Activity

L.O. 2.8

157. If annual GDP is \$100 billion and the MS is \$20 billion, the velocity of money (VM) is _____.

- a. 2
- b. 5
- c. 20
- d. 50

Answer: b

$\$100 \text{ billion} / \$20 \text{ billion} = 5$

Difficulty Level: Medium

Subject Heading: Money Supply and Economic Activity

L.O. 2.8

158. _____ believe that when the money supply exceeds the amount of money demanded, the public will spend more rapidly, causing real economic activity or prices to rise. - a. Monetarists
 - b. Keynesians
 - c. Neo Classicalists
 - d. Walraisians

Answer: a

Difficulty Level: Medium

Subject Heading: Money Supply and Economic Activity

L.O. 2.8

159. _____ believe that a change in the money supply first causes a change in interest rate levels, which, in turn, alters the demand for goods and services.
- a. Monetarists
 - b. Keynesians
 - c. Neo Classicalists
 - d. Walraisians

Answer: b

Difficulty Level: Medium

Subject Heading: Money Supply and Economic Activity

L.O. 2.8

160. The price level of goods and services may be expressed as the ratio of _____.
- a. GDP to real output
 - b. real output to GDP
 - c. Velocity to GDP
 - d. real output to velocity

Answer: a

Difficulty Level: Medium

Subject Heading: Money Supply and Economic Activity

L.O. 2.8

161. Real output in an economy may be expressed as the ratio of _____.
- a. GDP to real output
 - b. real output to GDP
 - c. price level to GDP
 - d. GDP to price level

Answer: d

Difficulty Level: Medium

Subject Heading: Money Supply and Economic Activity

L.O. 2.8

162. The price level of goods and services may be expressed as the ratio of _____.
- a. GDP to GNP
 - b. real output to GDP
 - c. Velocity to GDP
 - d. real output to velocity

Answer: d

Difficulty Level: Medium

Subject Heading: Money Supply and Economic Activity

L.O. 2.8

163. _____ believe that a change in the money supply first causes a change in interest rate levels, which, in turn, alters the demand for goods and services.
- a. Monetarists
 - b. Supply Siders
 - c. Neo Classicalists
 - d. Keynesians

Answer: a

Difficulty Level: Medium

Subject Heading: Money Supply and Economic Activity

L.O. 2.8

164. An international gold standard dominated international trade during:
- a. World War II
 - b. 1880–1914
 - c. 1944–1971
 - d. 1914–1932

Answer: b

Difficulty Level: Easy

Subject Heading: International Monetary System

L.O. 2.9

165. A major international development occurred on January 1, 2002, when twelve European countries gave up their individual currencies and adopted a unified currency called the _____.

- a. Dollar
- b. Pound
- c. euro
