Correct Answer :

## ESSAY

47 : Critical Thinking QuestionBriefly describe the following: a. Social (or moral) lawb. Common lawc. Case lawd. Statutory law

Correct Answer : Student responses will vary.

48 : Critical Thinking QuestionWhat are civil rights and civil liberties? The text states that they are recurring themes in Americas development. . . . How would you explain this statement and what are some examples you would provide to someone who is not familiar with the history and social structure of the United States?

Correct Answer : Student responses will vary.

49 : Critical Thinking QuestionBriefly discuss the history of the U.S. Constitution and how it helped to lay the foundation for the criminal justice system. What is the Bill of Rights and why was it created?

Correct Answer : Student responses will vary.

50 : Critical Thinking QuestionDescribe the guarantees and/or requirements of the following:a. The First Amendmentb. The Second Amendmentc. The Fourth Amendmend. The Fifth Amendmente. The Sixth Amendmentf. The Eighth Amendmentg. The Fourteenth Amendment

Correct Answer : The First Amendment guarantees freedom of religion, freedom of speech, freedom of the press, freedom of peaceable assembly, and freedom of petition. The Second

Amendment protects an individual's right to possess firearms for traditional lawful purposes. The Fourth Amendment requires probable cause and forbids unreasonable searches and seizures. The Fifth Amendment guarantees due process and requires indictment. The Sixth Amendment establishes requirements for criminal trials. The Eighth Amendment prevents excessive bail and cruel and unusual punishment. The Fourteenth Amendment requires the states to abide by the constitution, guarantees due process and equal protection under the law.

51 : Critical Thinking Question What are the levels of intent for criminal law? Discuss each level in detail and provide an example that is not already given in the text. When is intent not an element of a crime? Provide examples. What are motive and scienter?

Correct Answer : The levels of intent for criminal law are intentionally, knowingly, recklessly, and negligently. Student examples will vary. Motive is a reason for doing something, and scienter is a degree of knowledge that makes an individual legally responsible for the consequences of his or her acts.

52 : Explain the differences between strict liability, intentional wrongs, and negligence. Which of these is most frequently used in lawsuits against the police?

Correct Answer : With strict liability, the wrongdoer is liable even if no harm was intended. In the case of an intentional wrong, the person knows the act was unlawful but did it anyway. If a person is negligent, she did not set out to do harm but acted carelessly. Intentional wrong and negligence are most frequently used against the police.?

53 : Discuss the basic differences between a crime and a tort.

Correct Answer : A crime is a public wrong prosecuted by the state (which seeks to punish). Criminal intent is required. A tort is a private wrong prosecuted by an individual (who seeks redress for injury). Intent is unnecessary.?

54 : Discuss the differences between conservative and liberal crime control policies.

Correct Answer : Conservative crime control frames policy as an "us against them" war with criminals. Liberal crime control emphasizes correctional policies and broader social reforms to help people that are locked out of the American Dream.?

55 : Discuss the specific rights guaranteed by the First, Second, Fourth, Fifth, Sixth, Eighth, and Fourteenth Amendments and how they affect the justice process.

Correct Answer : See answer to Q. 50.?
